**DIVINE MERCY IN MY SOUL (continued)**

**Jesus I trust in you.** My Heart overflows with great mercy for souls, and especially for poor sinners. If only they could understand that I am the best of Fathers to them and that it is for them that the Blood and Water flowed from My Heart as from as from a fount overflowing with mercy. For them I dwell in the tabernacle as King of Mercy. I desire to bestow My graces upon souls, but they do not want to accept them. You, at least, come to Me as often as possible and take these graces that they do not want to accept. In this way you will console My Heart. Oh, how indifferent are souls to so much goodness, to so many proofs of love. My Heart drinks only of the ingratitude and forgetfulness of souls living in the world. They have time for everything, but they have no time to come to Me for graces ....The infidelity of a soul specially chosen by Me wounds MY Heart most painfully. Such infidelities are swords which pierce My Heart. (367)

**THE CALL TO DISCIPLESHIP**

The core vocation in the Gospel of Mark is the vocation, or call, to discipleship. Today's Gospel passage provides us with one last example of what the vocation to discipleship means, and one example of what it doesn't mean. A destitute widow shows us that discipleship means following Jesus' way of service, even if it requires giving one's livelihood (or life). The scribes show us by their bad example that discipleship should entail a vocation to extend God's care to those who are most in need.

In our reading from the book of Kings another widow and her son are close to death. They too give what little they have, but they are rewarded by Elijah with food enough for a year. And the reading from the Letter to the Hebrews reminds us that Jesus sacrificed his life "to bring salvation to those who eagerly await him" (Hebrews 9:28).

**TREASURES FROM OUR TRADITION**

Veterans Day began with the signing of a symbolic treaty between the Allies and Germany ending World War I (then called the "Great War") on the eleventh hour of the eleventh day of the eleventh month. The auspicious date was actually a well-established religious holiday, the feast of Saint Martin of Tours, a beloved soldier saint of the army of Rome. After World War II, Armistice Day was changed to Veterans Day in the United States and Remembrance Day in Britain, but of course the feast of Saint Martin endures.

Martin was named after Mars, the god of war, and against the advice of his parents he went on his own to church. He became a catechumen at the age of ten. By fifteen he was enlisted in the cavalry in France. Coming across a poor man, Martin had an impulse to divide his bright red soldier's cape and clothe him. He later had the insight that he had served Christ, and the other half of his cape became a lifelong sign to him of his duty to serve the poor. Housed in a tiny church *capella* or "chapel," the cape became a great object of pilgrimage on the way to Compostella, and a favored place for the prayers of soldiers. Martin was not so eager to serve as bishop as he had been as a soldier, and legend says that he hid in a barn filled with geese to avoid episcopal election. To this day, the customary meal for November 11 is goose! Traditionally, this is the last feast day before winter closes in, and begins a period of fasting once known as "Saint Martin's Lent" or "Martinmas," that later developed into the season of Advent. —Rev. We are collecting the following items year round-Travel Sized Toiletries an Men's sneakers and backpacks. The items may be dropped off in the Social Concerns bins.

### DID YOU KNOW THAT PARTICIPATION AT MASS

reflects our reverence to the presence of the Lord? With keeping this in mind, as we attend Mass we ought to participate as follows:

- Arriving at church before Mass has begun which helps us to have time to meditate on the love and respect for Our Lord who has gathered us together to share His gifts.
- Remembering the acts of reverence:  
Making the sign of the cross with the holy water  
Genuflecting as best we can before entering the pew and upon leaving
- Staying after Communion which allows us time to give thanks for the precious gift that was received
- At the conclusion of Mass remaining in the pew until the priest has proceeded down the aisle
- Using a soft voice in Church not to disturb others in this house of prayer.

The celebration of Mass is an act of the whole assembly gathered for worship. In the Mass, the Church is joined to the action of Christ.

We are joined to this divine action through Baptism, which incorporates us into the risen Christ. This action, which lies at "the center of the whole of Christian life" (General Instruction of the Roman Missal [GIRM], no. 16), is initiated not by us but by God acting in and through the Church as the Body of the risen Christ.

The Liturgy is designed to bring about in all those who make up the worshipping assembly a "participation of the faithful, namely in body and in mind, a participation fervent with faith, hope, and charity" (GIRM, no. 18). To the extent that we are able to participate in this way, the work of redemption becomes personally effective for each of us. By such participation we make the actions and prayers of the Liturgy our own; we enter more fully into our personal communion with Christ's redeeming act and perfect worship.

"In the celebration of Mass the faithful form a holy people, a people of God's own possession and a royal Priesthood, so that they may give thanks to God and offer the unblemished sacrificial Victim not only by means of the hands of the Priest but also together with him and so that they may learn to offer their very selves. They should, moreover, take care to show this by their deep religious sense and their charity toward brothers and sisters who participate with them in the same celebration. . . . Moreover, they are to form one body, whether in hearing the word of God, or in taking part in the prayers and in the singing, or above all by the common offering of the Sacrifice and by participating together at the Lord's table" (GIRM, nos. 95, 96). The participation of each person in the Liturgy is important. Each person needs to do his or her part.
